For Capital Equipment Leasing

Lease Line[®]

The Elements of Success

If you're a professional in business you know that capital equipment is crucial to the growth of your company. How you go about obtaining your equipment is equally important to the success of your business.

As a leading provider of financial services, Americorp Financial, Inc. takes the risk – and the hassle – out of equipment leasing. Our objective is to help you achieve your business goals. That's why we offer the Americorp Lease Line – a service that provides you with efficient, successful lines of credit ranging from \$2,500 to \$100,000, based on eligibility.

Flexible, Dependable Programs

Americorp's professionals will work with you to create a customized lease program that meets your specific budget requirements and business needs. We'll also develop a flexible payment structure that maximizes your company's cash flow.

Credit approval with the Americorp Lease Line is fast, efficient and dependable. Most credit requests are approved within 24 hours of receiving the required information, which means your equipment gets to you faster than ever.

The Smart Alternative

When compared with bank financing, the Americorp Lease Line is the smart alternative, with advantages that work for your business.

Leasing with Americorp:

- ▶ **Enables** you to finance 100 percent of the equipment cost, which helps you conserve cash.
- ▶ **Allows** you to establish new lines of credit, without affecting existing lines.
- ▶ **Generates** notable tax deductions with certain programs.
- ▶ **Helps** you to realize more efficient cash flow.
- ▶ **Provides** approval within 24 hours of receipt of a completed credit package.

In today's business climate, decisions are difficult. Americorp helps make this decision a little bit easier.

Americorp Financial, Inc....think of us as your Lease Line for capital equipment leasing.
